Warrant for the 1954 Town Meeting

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Milton in the County of Strafford, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the ninth day of March, next, at ten of the clock in the forenoon, with polls not closing before eight of the clock in the afternoon, to act on the following subjects:

1. To bring in your ballots for Town Officers.

Articles of Business at 7:30 P. M.

2. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred and three dollars and forty-seven cents ($503.47) in order to receive Town Road Aid. (The State of N. H. to contribute $3,356.44.)

3. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars ($1,000.00) for the general improvement of the Willey Road in Milton Mills.

4. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars ($1,000.00) for the improvement of Silver Street, leading out of Milton village.

5. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars ($1,000.00) to meet the note on the Hough Loader.

6. To see if the Town will vote to raise and appropriate a sum not to exceed two thousand dollars ($2,000.00) to meet the note on the F. W. D. truck.

7. To see if the Town will vote to raise and appropriate a sum of money not to exceed two thousand eight hundred dollars ($2,800.00) for street lights.

8. To see if the Town will vote to raise and appropriate a sum of money not to exceed eleven thousand dollars ($11,000.00) to pay Town charges and expenses, and pass any other vote or votes relative thereto.

9. To determine the salaries, wages and other compensation and allowances for all persons serving the Town, and to pass any other vote or votes relative thereto.

10. To see if the Town will vote to raise and appropriate a sum of money not to exceed eight hundred dollars ($800.00) for maintenance of the Milton Mills Fire District.

11. To see if the Town will vote to raise and appropriate a sum of money not to exceed three hundred and fifty dollars ($350.00) to replace hose lost in the Piggott Mountain fire.

12. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars ($500.00) for the maintenance of hydrants in the Milton Water District.

13. To see what sum of money the Town will vote to pay the first and second Engineers and Firemen in addition to the amount allowed by law; to see how much per hour the Town will vote to pay Engineers and Firemen while fighting fires, and pass any other vote or votes relative thereto.

14. To see if the Town will vote to raise and appropriate a sum of money not to exceed eight thousand dollars ($8,000.00) for winter maintenance.

15. To see if the Town will vote to raise and appropriate a sum of money not to exceed ten thousand dollars ($10,000.00) for gravel and repair of highways and bridges.

16. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand five hundred dollars ($1,500.00) for maintenance of highway equipment.

17. To see if the Town will vote to raise and appropriate a sum of money not to exceed three thousand dollars ($3,000.00) for oiling.

18. To see if the Town will vote to raise and appropriate the sum of one thousand dollars ($1,000.00) for the construction of a black top road on the Teneriffe Mountain Road. (By petition.)

19. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars ($1,000.00) for the continuance of the Goodwinville Road.

20. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars ($1,000.00) for the Camp Roads.

21. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars ($500.00) for repair of sidewalks in Milton and Milton Mills.

22. To see if the Town will vote to earmark the sum of one thousand two hundred dollars ($1,200.00) for the Town Beach, and pass any other vote or votes relative thereto.

23. To see if the Town will vote to raise and appropriate a sum of money not to exceed two thousand dollars ($2,000.00) for the Milton Fire Department, and pass any other vote or votes relative thereto.

24. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars ($500.00) for the new fire station in Milton.

25. To see if the Town will vote to raise and appropriate a sum of money not to exceed three hundred dollars ($300.00) for the Milton Free Public Library at Milton Mills.

26. To see if the Town will vote to raise and appropriate a sum of money not to exceed two hundred fifty dollars ($250.00) for Memorial Day.

27. To see if the Town will vote to raise and appropriate a sum of money not to exceed two hundred and fifty-nine dollars ($259.00) for the Lakes Region Association.

28. To see if the Town will vote to raise and appropriate a sum of money not to exceed four hundred dollars ($400.00) for the control of White Pine Blister Rust.

29. To see what sum of money the Town will raise and appropriate for Civilian Defense use.

30. To see if the Town will authorize the Selectmen to hire on notes of the Town a sum of money necessary to pay current expenses in anticipation of taxes of 1954, and pass any other vote or votes relative thereto.

31. To see if the Town will vote to sell a part of the Looney land on Charles Street.

32. To see if the Town will vote to appoint a caretaker for the Milton Town Dump, and see what sum of money they can pay him, and pass any other vote or votes relative thereto. (By petition.)

33. To see if the Town will authorize the Tax Collector to appoint a Deputy Collector in accordance with Chapter 80, Section 42, of the Revised Laws.

34. To see if the Town will vote to discontinue any or all of the following roads:

(a) A portion of road formerly a part of Route 16, so-called, but abandoned to travel by recent improvement and relocation of said Route 16, beginning at a point on the north side of the "Les Brown crossing," so-called, and running southerly to the junction at a point determined by the new location of Route 16.

(b) A portion of road formerly a part of Route 16, so-called, but abandoned to travel by recent improvement and relocation of said Route 16, beginning at a point near the Arthur Chase residence, said point being determined by the eastern outlet to the new highway, and running northerly to a point being determined by the new location of the said highway.

(c) A portion of road formerly a part of Route 16, so-called, but abandoned to travel by improvement and relocation of said Route 16, beginning at a point near the pumping station, said point being determined by the new location of said Route 16, and running northerly to a point similarly determined, but not including the crossing of the Mountain Road.

35. To see what proposition the Town would offer a resident physician wishing to occupy the Looney house, and pass any other vote or votes relative thereto.

36. To transact any other business that may legally come before this meeting.

LEROY J. FORD,
ROBERT P. LASKEY,
JOHN G. GILMAN,
Selectmen of Milton.

A true copy—Attest:

LEROY J. FORD,
ROBERT P. LASKEY,
JOHN G. GILMAN,
Selectmen of Milton.

Report of the Commissioners of the Milton Water District

Your commissioners submit the following report for the year 1953:

The Milton Municipal Water System has now been in operation seventeen years. There are eight more $1,500.00 payments due on the serial bonds, also nine $1,000.00 payments on the pipe relocation notes.

Practically all homes, commercial property and summer cottages that are within the district are now being supplied from this system as well as an excellent supply of water under high pressure for fire protection.

Since the start of this system and under all kinds of conditions there has been no shortage of water at the source of supply, which is 12 2½-inch driven wells about 25 feet deep. Any inconvenience to the users was caused by mechanical failure or relocating pipes.

The system is in reasonably good condition we believe with the exception of the 200,000-gallon standpipe. A thorough inspection of both the interior and exterior was made this fall by the Pittsburg & Demoines Steel Co., (who constructed the standpipe in 1936), with other tank specialists. Their recommendations were that repairs should be made this coming summer. Their report will be on hand at the next district meeting.

A six-inch water main was extended along the Farmington Road to a new house under construction, a distance of about 400 feet as per vote at district meeting, also a service to Henry Vontel in Maine at no cost to the district.

We are very much disappointed with the way the New Hampshire Department of Public Improvements left our pumping station after raising the highway there nine feet. We protested to the best of our ability but that is probably all it will ever amount to.

JOHN M. FELLOWS,
STANLEY C. TANNER,
FRANK E. McINTIRE,
Commissioners.

Warrant of Milton Water District

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Milton Water District, in the Town of Milton, qualified to vote in the district affairs:

You are hereby notified to meet at the Engine House Hall in said district on Saturday, the 13th day of March, 1954, at seven-thirty o'clock in the afternoon to act on the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose one Commissioner for three years.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To raise and appropriate a sum of money not to exceed $1,500.00 to pay for retirement of serial bonds.

Article 6. To raise and appropriate a sum of money not to exceed $1,250.00 to pay for retirement of serial notes and interest on pipe relocation notes, at the Farmington National Bank.

Article 7. To see what action the District wishes to take in regards to repairs on the 200,000-gallon standpipe, and raise and appropriate a sum of money for same.

Article 8. To transact any other business that may legally come before said meeting.

Given under our hands and seal at said Milton this seventeenth day of February, 1954.

JOHN M. FELLOWS,
STANLEY C. TANNER,
FRANK E. McINTIRE,
Commissioners.

A true copy of Warrant—Attest:

JOHN M. FELLOWS,
STANLEY C. TANNER,
FRANK E. McINTIRE,
Commissioners.

DOROTHY A. REGAN,
Treasurer.

January 20, 1954.

Report of the Milton Fire Department

The department answered the following calls the past year:

Fire with	Buildings involved,	6
	Brush fires,	13
	Chimney,	10
	Automobiles,	2
	Oil burners,	3
	Dump fires,	5
	Saw mill,	1

The department answered 11 out-of-town calls:

Milton Mills,	1
West Lebanon,	6
Acton,	1
Sanford,	1
Middleton,	2

The year 1953 was the worst one on record for the town as far as calls were concerned; the average for the towns is 23. So once again we urge you people of Milton to exercise more caution in the use of fire. Please obtain your permit before burning out-of-doors. Remember, a permit is required for an incinerator that is located near any grass land or woods!

Respectfully submitted,

HERBERT A. DOWNS,
Chief Engineer, M. F. D.

Warrant of the Milton Mills Fire District

OFFICERS

Commissioners

Reuben J. Evans Frank Taylor

William Madden

Clerk

Damon Pike

Treasurer

Chester Stevens

Moderator

Lewis Piper

To the Inhabitants of the Milton Mills Fire District in the Town of Milton, qualified to vote in District Affairs:

You are hereby notified to meet in the fire house in said district on at eight o'clock p. m. to act on the following subjects:

1. To choose a Moderator for the following year.

2. To choose a Clerk for the following year.

3. To choose a Treasurer for the ensuing year.

4. To choose one Commissioner for the ensuing year.

5. To see what sum of money the District will vote to pay the Fire Chief, the Assistant Chief, the First and Second Engineer and the Firemen, in addition to the amount allowed by law and the hourly rate to pay the aforementioned men while fighting fire in the District, in the town, in the surrounding towns, and to pass any other vote or votes relative thereto.

6. To see if the District will vote to appropriate if necessary, a sum of money not to exceed $1,000.00, to provide for additional fire protection or unforeseeable expenses, and to authorize the commissioners to borrow the same on notes of the District, and to pass any other vote or votes relative thereto.

7. To see if the District will vote to raise and appropriate a sum of money not to exceed $1,770.00, to pay the estimated operating expenses and to pass any other vote or votes relative thereto.

8. To see if the District will vote to raise and appropriate $250.00 for change in alarm system, in conjunction with the telephone company's change over to dial system, and to pass any other vote or votes relative thereto.

9. To see if the District will vote to authorize the commissioners to borrow on notes of the District, if necessary, in anticipation of 1954 taxes.

10. To transact any other business that may legally come before the meeting.

Given under our hand and seal at Milton Mills, this 28th day of January, 1954.

REUBEN J. EVANS,
FRANK N. TAYLOR,
WILLIAM J. MADDEN,
Commissioners.

A true copy of the Warrant—Attest:

REUBEN J. EVANS,
FRANK N. TAYLOR,
WILLIAM J. MADDEN,
Commissioners.

Expense changing over alarm system,	250 00
Electric bills,	50 00
	$1,770 00

REUBEN J. EVANS,
FRANK N. TAYLOR,
WILLIAM J. MADDEN,
Commissioners.

Report of the Milton Mills Fire Chief

To the Commissioners and Voters of the Milton Mills Fire District:

The following fires occurred in the district from January 1, 1953, through December 31, 1953:

1 chimney fire
3 grass fires
1 building fire
1 truck and saw mill fire
1 dump fire

The district also answered the following fires outside the district:

2 building fires (Acton, Maine)
1 saw mill and grass fire (Middleton, N. H.)
3 calls for forest fire (Acton, Maine)
4 forest fires (in town of Milton, outside of district lines)
1 dump fire (Sanbornville, N. H.)
1 camp and brush fire (Oak Hill, Wakefield, N. H.)
1 chimney fire (Acton, Maine)
1 forest fire (Sanford, Maine)
1 false alarm (Acton, Maine)

At our budget meeting it was decided to put an article in the Town Warrant, asking the voters of the town to help us purchase new 1½-inch hose, which we need to replace. The reason we are asking the voters of the town for financial help is because of the terrific expense that we had as a result of the Piggott forest fire where we lost about 450-500 feet of 1½-inch hose and two (2) tanker tires. So, therefore, we are asking for $350.00 to help us purchase hose.

We have had fine cooperation from all in helping to cut fire hazards. And at this time we wish to thank each and every one of you. We hope that in the future we may serve you to your satisfaction, in order to show our appreciation for your cooperation with our department.

DAMON PIKE,
Chief.

Financial Report of the Milton Mills Fire District

RECEIPTS, 1953

Balance January 1, 1953,	$1,197 08

Superintendent of Schools

ARTHUR E. TOLL, M.Ed.

Treasurer

RUTH L. PLUMMER

Moderator

HAROLD STANLEY

Clerk

RUTH L. PLUMMER

Auditors

THELMA P. TIBBETTS BARD B. PLUMMER

Attendance Officers

ALFRED MOODY WILLIAM MADDEN

School Nurse

ESTHER T. POLAND, R. N.

SCHOOL WARRANT

To the Inhabitants of the School District in the town of Milton qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said district on the 6th day of March, 1954, at 6:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will provide transportation for children living at a great distance off established bus routes.

10. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

11. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the Federal Works Agency, or other U. S. Government or State Agencies.

12. To transact any other business which may legally come before this meeting.

Given under our hands at said Milton this day of February, 1954.

EMMA P. RAMSEY,
RALPH PUGH,
PRISCILLA AYER,
School Board.

A true copy of Warrant—Attest:

EMMA P. RAMSEY,
RALPH PUGH,
PRISCILLA AYER,
School Board.

Respectfully submitted,

BARD B. PLUMMER,
Treasurer.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board Members and Citizens of Milton:

> "Democracy can be only as strong as the intelligence of its citizens. 'It cannot flourish half educated and half illiterate. It is by education,' said Aristotle, 'that I learn to do by choice, what other men do by the constraint of fear."

I am pleased to submit the annual report as superintendent of your schools. This has been a year during which much progress has been made. I should like to thank your school board in particular, for their cooperation in devoting many hours of their time so that the best interests of the children be wisely looked after. We feel that we have a good school system that will insure steady academic, social, and physical progress of your children. Mr. Robert Piper and Mr. Walter Foster are able administrators of your schools, and your teaching staff is enthusiastic, well-trained, and unselfish in the personal interests of your children. Most of them have been in your community a number of years and have taken an active part in your civic affairs.

In their annual reports, the principals go into greater detail regarding the progress made in the instructional field. The three R's (reading, writing, and arithmetic) continue to be the basic foundation upon which our whole education system is based but to them other important phases have been added. In order to more completely discover and develop the potentialities of each individual pupil for his own happiness and social usefulness our teachers have emphasized personal guidance so as to cause each pupil to progress according to his own abilities.

Several major repairs and additions were necessary and were satisfactorily completed this year. The roof of the Milton Elementary School was resurfaced and waterproofed, an extra blower was added in the corridor to insure more heat, a double sink and drinking fountain was added upon the recommendation of the State Board of Health, both upper and lower corridors were covered with tile, classroom floors and desks were sanded, sealed, and waxed, and a number of minor repairs were made during the year so that your schools at present are in excellent physical condition. We are, indeed, fortunate to have the services of Mr. Alfred Moody to serve as your custodian. I heartily recommend that minor repairs and additions be made each year so that the expense will be shared more evenly.

The committee on the school playground met several times and decided to level off the area as far as the money would permit. It resulted in eliminating several safety hazards besides giving a good start toward creating an excellent play area. We hope that we can complete it this summer. By providing a playground in back of the school for the children it will be possible to landscape the front of the school and thus add much to the beauty of the school building. Three bus shelters were built by the Shop class of Nute High School to provide some protection against the weather to the children who must walk a long distance to the bus route. You, as citizens, can help greatly to see that those shelters are not abused through vandalism.

Financially we are working well within the budget allotted to our schools although we had many unforeseen repairs to be made. State Aid and Federal assistance to the School Lunch Program were greatly reduced long after the budget had been approved. In

spite of these financial setbacks the School Board, through careful planning, has proposed a budget for 1954-55 that calls for a lower district assessment than last year. Teacher salaries are at a slightly lower level than those of the average in the state. I recommend that you continue to pay $2,500 into the capital reserve fund in order to insure a sizeable building fund should you need additional classrooms some time in the future. Too many communities fail to do this and as a result must plunge heavily into debt when the need for additional building arises.

Unless a change in orders is made by the State Board of Education the Milton School District will join Union No. 44 beginning July 1, 1954. This change was made by the State Board of Education so that districts in the same geographical area would be together. For my part, I shall sincerely miss working with your School Board and your teachers. Again I wish to thank all for the cooperation which has been extended to me in carrying on and improving the work of education in your community.

Respectfully submitted,

ARTHUR E. TOLL,
Superintendent.

TEACHERS' SALARIES, 1953-54

Milton Grammar School

Robert Piper,	$3,500 00
Gerard Roberge,	2,600 00
Leona Foster,	2,850 00
Ferne McGregor,	2,850 00
Sally Sloan,	2,400 00
Doris Chase,	2,950 00
Elsie Julin,	2,950 00
Lillian Elwell,	1,240 00

Milton Mills School

Gladys Rawding,	2,700 00
Elizabeth Lambert,	2,650 00

The following school census figures of September, 1953, as taken by Alfred Moody, William Madden and Leslie Anderson, indicate the number of all children living in Milton by age groups from birth to eighteen years of age:

Age by Years	Total	Boys	Girls
Less than 1	31	20	11
1	25	14	11
2	33	18	15
3	26	8	18
4	23	11	12
5	27	10	17
6	33	15	18
7	26	10	16
8	27	14	13
9	23	16	7
10	22	11	11
11	16	9	7
12	22	12	10
13	24	14	10
14	17	10	7
15	16	7	9
16	19	10	9
17	21	10	11
18	2	1	1

Milton children attending public schools in September, 1953, were as follows:

Grade	1	2	3	4	5	6	7	8	9	10	11	12	Total
Milton Mills,	5	5	8	5	11	3	2	0					39
Milton Gram.,	22	24	18	17	9	17	18	21					146
Nute,									32	29	22	26	109
Totals,	27	29	26	22	20	20	20	21	32	29	22	26	294

Tuition Rate	1953-54	1954-55
Milton Mills,	$150 00	
Milton Grammar,	150 00	
Nute High,	235.00	

Nute High School tuition pupils, as of September, 1953, were from the following towns:

Grade	9	10	11	12	Total
Brookfield, N. H.,	0	0	1	0	1
Wakefield, N. H.,	6	7	0	6	19
Lebanon, Maine,	5	2	1	1	9
Acton, Maine,	2	0	1	3	6
Middleton,	0	0	0	2	2
	13	9	3	12	37

The following elementary pupils are attending school outside of Milton:

Farmington:

Frank C. Hunter, Grade 8

Union:

Paul Wentworth, Grade 1
Muriel Thomas, Grade 5
Richard Wentworth, Grade 6
Jane Thomas, Grade 8

The following high school pupils are attending school outside of Milton:

Farmington:

Florence Dore, Grade 9

REPORT OF THE PRINCIPAL OF THE MILTON GRAMMAR SCHOOL

To the Superintendent of Schools, the School Board and Citizens of Milton:

The teaching staff of Milton Grammar School, believing that public schools should offer equal opportunity to all children as far as their capabilities will allow, is striving to lay good foundations for

further study. This year we are placing emphasis on the fundamentals of reading. Special help is being given to those children with reading difficulties, and we believe we are making progress. Arithmetic fundamentals are also being stressed. Classes have been placed at their achievement level and work proceeds from there.

A testing program has been instituted. Each year tests will be given, for achievement and mental maturity, to grades three, five and seven. By means of these tests teachers will get assistance in picturing the child's growth, and will be able to help him accordingly.

Special projects are carried on in connection with classroom studies. The children of grade 2 have made a large wall map of Milton in connection with their study of the community in Social Studies. Grade 3 made a banana plantation during the study of that unit. These are only two examples of project work in our school. Classes are made more meaningful and points emphasized by the use of filmstrips. New filmstrips added to the library this year include: *Our North American Neighbors, Our South American Neighbors,* and *Our Community Workers.* The opaque projector is used to enlarge pictures for detailed study. Mrs. Foster gave an excellent demonstration of this technique during National Education Week.

In Observance of National Education Week in November we had open house for parents. All classes were in session during the evening, and we were pleased to welcome approximately 125 parents and friends. Since good schools depend upon complete understanding and cooperation between parents and teachers we are always glad to welcome parents to the school at any time, as well as at meetings of the Parent Teachers Association.

In December Grades 1 and 2 presented a Christmas program at Nute High School. Proceeds will be used to replace rhythm band instruments, and for other extra material wanted by the teachers. It is hoped that another program will be given in the spring.

There are two changes on the staff this year: Robert M. Piper, Principal and teacher of Arithmetic Grades 5 and 7, and Mrs. Sally H. Sloan, Grade 3. Other assignments are as follows: Mrs. Elsie Julin, Grade 1; Mrs. Doris Chase, Grade 2 and part of Grade 4; Miss Ferne McGregor, Grade 6 and part of Grade 4; Mrs. Leona Foster, Grades 5 and 7; Mrs. Lillian Elwell, Music; Mrs. Esther Poland, School Nurse. Mrs. Gladys Rawding is the new upper grade teacher at Milton Mills. Alfred Moody continues as our excellent custodian.

To advance themselves professionally teachers take advantage of summer schools and extension courses. Mrs. Sloan attended the summer session at the University of New Hampshire in 1953, and plans to attend in 1954. Mrs. Julin also plans to attend this session. Mr. Piper will take a course in Public School Supervision during the spring semester.

At the opening of school our enrollment was 124 distributed as follows: Grade 1, 23; Grade 2, 22; Grade 3, 18; Grade 4, 17; Grade 5, 9; Grade 6, 17; Grade 7, 18. Transfers and admissions have left the present enrollment at 123. The decrease from last year's enrollment of 148 is due to the building of a new school in Lebanon, Maine. It is expected that approximately 15 pupils will enter Grade 1 in September, 1954. This will keep the enrollment about the same as it is this year. We feel very fortunate that our school is not overcrowded.

Following is the report of dental and health services:

The routine health services have been conducted during the past year. The pupils were weighed, measured and their teeth checked during the fall months. Frequent inspections of hair, scalp and skin have been conducted throughout the year. Any child having a contagious condition was excluded from school until correction was made.

Vision tests were made in all schools. Each child was carefully checked by means of the Massachusetts Vision Testing Machine. The hearing tests were made with the Group Audiometer. Any defects noted in vision or hearing were reported to the parents who were advised to take the child to their family doctor for a more thorough examination and correction.

The Tuberculin Skin Test, sponsored by the New Hampshire Tuberculosis Association, was given to all pupils. Those showing a reaction from the test were taken to Rochester for a chest x-ray.

In September all pupils at the high school who participate in sports were given a physical examination by Dr. Robert Lord, the school physician. Thirty-two girls and twenty-nine boys received this examination. The children of grades three, five and seven were also examined at this time. At Milton Mills all pupils received the examination in June. Any defects noted were reported to the parents.

The Grade C Lunch Program was again conducted, during the winter months, at Milton Mills School. This consisted of a bowl of hot soup to eat with sandwiches.

There was no epidemic of a communicable disease during the past year, however, the troublesome

"virus infection" prevailed throughout the winter months.

The annual health clinic for pre-school children, who were to enter school in September, was conducted in May. Dr. Lord examined each child and administered vaccine and toxoid to those children whose parents requested it. Thirteen children received vaccine, and seventeen were given the toxoid. The vision test was conducted by the school nurse.

School health education is a vital part of the whole educational process, by which each child in school is guided and helped in his efforts to become what he is capable of becoming. The daily health inspections by the classroom teacher or the school nurse for signs of communicable disease and physical defects, and the handling of emergency illness and accidents raise the health standards of your schools.

I wish to thank the teaching staff for the cooperation and support given me during the past year.

Respectfully submitted,

ESTHER T. POLAND, R. N.,
School Nurse.

Our lunch program has been given an excellent rating by Miss Ruth Cutter, State Director of School Lunches. Mrs. Elsie Julin is in charge of buying and menu planning, and her work is outstanding. Excellent meals are prepared and served by our very efficient staff: Mrs. Amy Stowe, cook, and Mrs. Lois Ellis, assistant. A freezer has been purchased this year, the expense being shared by the lunch program at Nute High School. It is felt that this will be less expensive than storing foods at the Rochester locker. During the period from January to June, 1953, an

average of 110 lunches were served daily. From September, 1953, to January, 1954, an average of 87 lunches were served each day. The decrease is due to the smaller enrollment this year. A financial report follows:

MILTON SCHOOL LUNCH PROGRAM

School Year 1952-53

RECEIPTS

Cash on hand,	$548 70
Lunch sales, children,	2,742 14
Lunch sales, adults,	165 25
District appropriation,	2,031 10
(Federal Government reimbursed district $1,058.94)	
Miscellaneous cash contribution,	34 68
Total,	$5,521 87

EXPENDITURES

Food,	$3,182 93
Labor,	1,623 21
Equipment,	172 61
All other,	199 06
	$5,177 81
Cash balance on hand June 30, 1953,	344 06
Total,	$5,521 87
Actual cost to district,	$972 16
Total number of meals served during year,	15,777

Mrs. Lillian Elwell, Supervisor of Music, submits the following report:

In the first grade all songs are taught by rote. Ear training, or teaching the child to listen carefully,

is particularly emphasized at this grade level. Two or three songs, correlating with material being studied, are presented each week. At least one of these songs is a game or action song.

At the second grade level music is presented in much the same manner, in preparation for note reading which is begun toward the end of the school year. More difficult action songs are presented, giving the child opportunities to develop his creative powers to a great extent. Additional verses have been composed to songs they have already learned, and by spring, the second graders will be composing their own songs.

Note reading has begun at the third and continued at the fourth grade level. More difficult songs are still taught by rote, but the children are now able to learn songs by themselves from the music book. Songs are correlated with the Social Studies units.

The fifth, sixth and seventh grades are combined for music. There is a great deal of part music sung in this class—all songs being seasonal or correlating with Social Studies. Mrs. Foster rehearsed and accompanied a group from this class when they sang at the Christmas program of the Parent Teachers Association at Nute High School, and at the Founders Day Program in February.

Vocal music at Milton Mills is conducted in much the same way, but in a more general manner.

Instrumental lessons are given free of charge during school time. At present lessons are being given on trumpet and trombone.

We have been very fortunate in securing two pianos for schoolroom use. Mrs. Hervey Dore has loaned a piano which is being used in Mrs. Foster's

room. Mrs. Gene Remick donated a piano which has been moved to Miss McGregor's room. This gives us a piano on each floor of the building, an excellent aid in music classes. We wish to express our thanks to Mrs. Dore and Mrs. Remick for their thoughtfulness.

Following is the report of the Milton Mills School:

The total number of pupils enrolled in the Milton Mills School is forty-five, three of whom have left since September 8 when school began. Miss Elizabeth Lambert has the first four grades, and Mrs. Gladys Rawding the upper three grades.

We were delighted with new Social Studies books, which combines both history and geography lessons. They are very appealing to the children and time saving to the teachers.

The Scott Foresman reading books were placed throughout the elementary grades, making the system in reading uniform.

To meet the situation where a pupil cannot attain the prescribed goal in his grade, he continues with his grade physically and socially where work is adapted to his mental age. Here he can adjust happily, working to his individual capacity so that he does not become a social menace or a disciplinary problem.

Unitary techniques lend themselves well to a system such as ours where several grades are housed in one room. In any unit built around the child's interest, every pupil participates, developing the spirit of democracy, initiative, originality, ingenuity and creative ability. In looking up information, the pupil learns to use the index, list the sources, observe the copyright, to skim for pertinent facts, to interpret and then organize and compile for a written or

oral report. Sometimes a mural is made; other times the sand table is used to a good advantage.

Both teachers attended the State Teacher's Association Convention in Manchester with material benefit.

During Education Week we held open house, culminating the activities with "Hiawatha" dramatized by the older group while the primary entertained with songs and dances. The parents were well represented.

At Christmas time the Nativity Scene was portrayed with several French carols introduced.

Cursive penmanship is taught, beginning with the fifth grade, also the use of ink made mandatory.

I would like to express my deepest appreciation to everyone who has given me any assistance in the discharge of my duties.

Respectfully submitted,

GLADYS RAWDING,
Principal.

The teachers of the Milton Grammar Schools are working constantly to improve their teaching in order to give the best possible elementary education to the children of Milton. With the excellent cooperation and assistance of the School Board, the Superintendent of Schools and the citizens of Milton we feel that we are reaching our goal.

Respectfully submitted,

ROBERT M. PIPER,
Principal.

REPORT OF HEADMASTER OF NUTE HIGH SCHOOL

To the Superintendent of Schools and the Members of the Board of Trustees:

I hereby submit my fifth annual report of the Nute High School, which opened its sixty-third year September 8, 1953, with an enrollment of one hundred and thirty-one. Transfers and withdrawals to date have left the present enrollment of one hundred and seventeen divided as follows: Seniors, 24; Juniors, 20; Sophomores, 23; Freshmen, 28; Grade Eight, 22.

The approved program of studies is the same as last year with the following alternates being substituted: Biology for General Science; French 2 for French 1; Fused Geometry for Advanced Algebra and Trigonometry; Consumer Buying for Sociology; Human Behavior for Economics; Physics for Chemistry; The Home for the Family; Office Practice for Stenography and Typing; Bookkeeping for Business Law and Salesmanship.

There has been but one change in personnel this year: Mr. Gerard Roberge, University of New Hampshire, replaced Mr. Thomas Chesley.

Miss Goodwin and Mrs. Lord earned additional credit in an art course. All teachers have attended scheduled meeting of Union No. 56. Teachers cooperated with the P. T. A. by putting on a question and answer program concerning Nute High School.

All teachers have been very active in various community activities and clubs.

Under the able management of Mr. and Mrs. Harriman, the school lunch program has been continued. In the course of one month about 1,560 peo-

ple, or the approximate population of Milton, are fed.

By combining the financial resources of the Elementary and High School Lunch Programs, a deep freeze was purchased and installed in the Elementary School. This purchase removed the necessity of renting a locker in Rochester.

The music groups in Nute High School include: Girls' Glee Club, Boys' Glee Club, Mixed Glee Club, Triple Quartette, and a six-piece orchestra. Performances have included a Christmas program for the P. T. A., in which all groups participated, and Glee Club selections at the Founder's Day Program. They are now working on music to be presented at the May P. T. A. as well as Baccalaureate and Graduation.

The Student Council started the year by conducting the initiation for the freshmen and making up the social calendar. The Council, in an endeavor to promote interest in the student body, is looking into the prospects of a Projection Club, which would enable students to operate the movie projector, tape recorder, film strip projector and other mechanical machines. Letters have been written to schools that have this type of club for information.

The tape recorder is proving to be very beneficial in many ways. Units in speech can be made much more meaningful since the students can really criticize and correct themselves. The public received a chance to see this device demonstrated as a part of the American Education Week Program. As an aid in preparation for Founder's Day speeches, the recorder is invaluable.

Founder's Day was observed as usual with approximately twelve being interested in participation. The University of New Hampshire Extension Serv-

ice was used in attempting to secure better and more original pieces.

The Concord Bookmobile continues to supply the high school with many and varied books used for reports and recreational reading. The courses in English are greatly enriched by this service.

All students appreciate and enjoy *Practical English,* a student's magazine purchased by the school. It is often used for definite assignments in English as well as being a study period favorite.

The National Honor Society has twelve members from the Senior Class. Juniors with an average of 85 or better were initiated after the mid-year marks in February.

A display of solid figures has been made by the General Mathematics Class for use in all classes. The display is suspended in the laboratory for use in the study of solids.

The Physics Class took a field trip to the Milton dams this fall in line with their study of water pressures and hydraulics.

A Science group went to the reservoir on a field trip at the time the engineers were there. A follow-up of this trip will be made when the engineering report comes back to the water commissioners.

Valuable use had been made of the new film strip projector in all science groups.

The seventh and eighth grades have been devoting their time to clothing construction. The seventh grade girls are learning to sew without using a pattern, while the eighth grade girls have been introduced to the pattern this year. Their projects consist of simple skirts, blouses, aprons, and pajamas.

The Home Economics class of freshmen and sophomores began their year with a canning unit. The clothing unit was introduced next and the girls have completed many garments using the popular materials, cotton, rayon, and wool.

The Home class has completed units on Child Care, The Importance of the Home in the Community, and First Aid and Home Nursing.

Toward the end of last year the girls in the Home Economics classes prepared and served a dinner to the combined School Boards of Supervisory Union 56 and also to the Board of Trustees of Nute High School. This gave the girls invaluable practice in the art of preparing and serving a dinner.

Consumer Buying, a one-semester course offered every other year, is being taught this year. The class discussed many products used in their every-day lives pointing out important factors to be considered when purchasing these products.

Pupils in the shop classes this year have repaired and replaced the screens for the basketball season. One leg on the piano was repaired, and a steel gutter was placed over the front entrance at the home of Mr. Foster. A small cupboard was built for the school kitchen for the storage of dishes.

The freshman group has constructed three shelters, approximately five feet by eight feet, and placed them along the bus route for the use of the pupils.

Varied projects have been attempted in the shop this year, some of which include an ice-fishing house, two double runners, several special tables for television sets, and one cedar chest.

The shop has a total of fourteen machines in good working order. They include:

2 Grinders
2 Wood Turning Lathes
2 Circular Saws
1 Six-inch Jointer
1 Sixteen-inch Scroll Saw
1 Nine-inch Metal Lathe
1 Small Metal Shaper
1 Large Metal Drill
1 Post Drill (Woodworking)
1 Three-inch Hand Sander
1 Hand Router

In spite of extremely crowded conditions, excellent work is being continued in the Commercial Department. New equipment acquired this year includes twelve typewriting chairs, two typewriters, and text books. The Flash, a student publication under the guidance of Miss Goodwin and Mrs. Lord, continues to give valuable training.

The athletic program consists of volleyball, basketball, baseball for girls; basketball, baseball for boys. These sports have been coached by Mrs. Sloane, Mr. Roberge, Mr. Johnson and Mr. Foster. Another trophy was added to our collection when the girls won the volleyball championship of our league.

In December, the seniors, coached by Miss White and Mrs. Lord, gave an excellent performance of the play, "Who Killed Aunt Caroline?"

This year a new testing program has been inaugurated. Covering four fields, Social Studies, Natural Science, Arithmetic, and English, these tests serve as a guide in directing each pupil into that field where his aptitude lies. Each pupil from Grade 9 through 12 has been tested and the results are being individual-

ly discussed in private conference with the principal. This is to be a continuing program whereby the mental growth of the student can be watched and further guided.

General improvements to the school include a film strip projector and screen, one teacher's desk, three teachers' chairs, exchange of two Kelvinators, eight dozen cups, a grille, and all windows and doors received a new coat of paint.

We are proud to report that at present Nute High School has representatives in many post-graduate schools: University of New Hampshire, 5; Nasson College, 3; Keene Teacher's College, 6; Burdett Business College, 1; New Hampshire Technical Institute, 4; Lynn Hospital Nursing School, 4; Providence Bible Institute, 1; Laconia School of Nursing, 1; Eliot Hospital Nursing School, 1. Sixteen of the last four years' graduates are in the Armed Services.

Reports from the above-mentioned schools as to the satisfactory progress of the students is most gratifying and justifies our State rating of a Class A high school.

As teachers we have all tried to do whatever was best for each pupil and for the student body as a whole. We hope that the present and future graduate will leave Nute with the same loyalty evinced by the alumni.

No principal has ever received finer support than I from his superintendent, trustees, townspeople, and teachers; and for this, I express my sincere appreciation.

Respectfully submitted,

WALTER J. FOSTER,
Principal.

SCHOOL CALENDAR, 1954-55

Schools open Tuesday, September 7, 1954

Session Days

Tuesday, September 7 through Tuesday, December 21,	77 days
Monday, January 5 through Friday, February 18,	35 days
Monday, February 28 through Friday, April 22,	40 days
Monday, May 2 through Friday, June 17	35 days
	187 days
